When head coach, Ed Conto was asked what the teams biggest thrill was, he quickly answered "beating our 3 closest rivals; Moniteau, Karns City, and Keystone." In addition "the Falcon's worst moment was their last minute loss to Clarion." Captains for the season were: Brad Dittman, Bob Rottman and Don Palmer. This season was not without rewards, four players received honorable mentions, Brad Dittman and Bob Rottman at running back, Don Palmer at Guard, and Bill Hackwelder at wide receiver, also Brad Dittman was named second team defensive tackle.

"Get Hot"

The 1994 Varsity Football Cheerleaders, led by captains Cheri Lopinski, Brandi Terwilliger, and Nichole Krainz, had a very "Spirited Season". Each member of the squad showed much enthusiasm and pride for A-C Valley at each and every game, no matter what the condition. Some of their more memorable moments came when the team "Charged On" to homecoming and Senior Night victories at our home school and much fun was had "Rocking the Bus" after defeating Moniteau at their Homecoming game. The season wouldn't have been the same, however without the terrific support and appreciation that was received from both the football team and their coaches. Thanks, guys for a terrific season.

Fine Season For Cross Country Teams

The 1994 boys Cross Country team finished with a respectable record of 3 wins and 4 losses. Due to many individual disappointments the team never reached its full potential. This year's team was lead by senior Clint Armstrong with senior Aaron Kerlin and junior Jeff Goughler close behind. All-Conference awards were earned by Clint Armstrong and Aaron while Jeff earned an honorable mention.

After a few lost seasons the girls made their return with a 4 and 3 record. This year's team was lead by Shanna Klinger and Corey Laverick with Shanna earning a spot on the All-Conference team.

The Lady Falcon Volleyball team had a very memorable 94-95 season. The Varsity squad fought until the end of the season and closed with a record of 5 wins, and 13 losses. The Junior Varsity squad completed their tough season with a record of 6 wins and 12 losses. We'll always remember: Moniteau's roof leaking and delaying the game; 3 long grueling days of volleyball camp with CUP coach, Sue Flarity; Our very last practice when Tonya got knocked out; Our fantastic limo ride to Ponderosa and down main street Butler; Coach Griffith retiring after 17 years and being the last squad he coached. We wish him the best of luck!

The 1994-95 A-C Valley hoops team finished with a 13-12 record over all and a 8-10 mark in the KSAC. This year's squad was lead by senoir Brandon Kriebel who scored his 1000 career point and also broke the career rebounding mark. Varsity Basketball Cheerleaders

The 1994-95 Varsity Basketball Cheerleaders had a spectacular season! This years squad cheered on the boys' and girls' team to man exciting victories with the help of some very spirited fans. The cheerleaders, with much hard work and determination encouraged crowd participation at the games. As a result, enthusiasm and spirit filled the the gym in several occasions. There was also fun "behind the scenes" at practices, pep rallies, and even on the buses to away games where the "Sound of Pepsi" filled the air! Thanks to all the players and coaches for a great year, it was a season we won't soon forget!

Not Pictured: Luke Dunkle, Dave Heineman.

During the 1995 track season, the boys track team had many individual and team highlights. One of the greatest achievements of the season was going 12-0. Throughout the season there were individual highlights as well. Bill Hackwelder made 1st team All Conference for the 800M, and John Sherman made 1st team for the high jump. Both were undefeated in the league this season. Due to many individual efforts by younger teammates, the team always seemed to pull through, and the result was the most wins in A-C Valley Track history. The Moniteau and Karns City wins were the more memorable meets of the season. There were also some disappointments in the season. At the District meet, the 400 Relay team was not permitted to run, and Bill Hackwelder and John Sherman just missed states by fractions. Dave Sherman Sr., Dave Sherman Jr., and Jerry Day coached this year's team.

Jr. High Boys Give Great Effort

The 1994 Jr. High football team completed another trying season. The coaching staff including Head Coach Jamie LeVier, Assistant Coaches David Sherman, Shane Thompson succeeded in ironing out the rough edges of this year's team. The record did not show the true talent of the team. Varsity Head Coach Ed Conto feels that many of this year's Jr. High athletes will be a good addition to next year's Junior Varsity and Varsity teams.

Despite the fact that the Girls Junior High Basketball Team only had one win this year, these girls still put out a lot of effort and good sportsmanship. However, five of the thirteen only lost by six points or less.

Shanna Ritts was the most valuable player, scoring over 100 points. Coach Klimchak would also like you to notice Candi Bobbert for her aggressiveness, Erin Lentz for her passing ability, and Heather Krainz for her hustling ability.
